Helping to increase horse rider safety

The mounted section of Avon & Somerset Constabulary is teaming up with the British Horse Society to launch a new online reporting system for horse riders, which in turn aims to educate drivers and riders of their responsibilities when using the road.

Nationally since 2010, over 2,900 road incidents involving horses, have been reported and within that figure 39 riders and 230 horses have been killed.

Simple steps motorists can take when approaching a horse : -

1. Drivers slow down to 15mph when passing a horse.
- 2. Be patient, don't sound your horn or rev your engine**
- 3. Pass the horse wide at least a car's width where possible**
4. Drive slowly away

See all the advice for motorists and riders at <https://www.avonandsomerset.police.uk/newsroom/2018/04/new-online-reporting-system-launched-to-help-increase-horse-rider-safety/>

Message from Wendy Edwards: -

“This is my swan song. I have retired as Press Correspondent for the this W. I. Thank you Greg and Alan for comprehensively printing my reports on the village website and parish magazine respectively. Thank you to the many members of the public who have said they have enjoyed my reports.

I am very fortunate to have found a very worthy successor in Jenny Alexander and I wish her every success in the future.”

Highlights from the 9th May meeting & A.G.M. Report - Meadway Hall, Compton Dundon

Our Speaker this month was Daphne Atkinson whose talk **“Life Below Stairs”** was dedicated to her mother who worked for the Marquess of Bristol, family name Hervey. It took Daphne a long time to persuade her mother to put her memoirs on paper, but eventually it was done using lots of Basildon Bond notepaper.

Ickworth House the Hervey family home was first mentioned in the Domesday Book. John Hervey, 1665 to 1751 was the first Baron of Ickworth and first Earl of Bristol. Ickworth was a most unusual Georgian mansion and in her mother's time would have had a shooting lodge and gamekeepers cottage. There were five acres of walled gardens and **26 gardeners. Daphne's mother worked for the 5th Marquess** and in 1956 the property was handed over to the National Trust, part of it is now an upmarket hotel.

Daphne's mother's wrote a letter in 1934 asking to become a housemaid at Ickworth and was accepted as an under housemaid. Although the work was hard and monotonous there were compensations, with a servants Ball held in the second week of January when Lady Bristol would dance with the butler and Lord Bristol with the cook.

(Continued on page 6)

After a 5 a.m. start and having cleaned various rooms and hallways, the servants would be summoned to the room where they would stand for prayers and bible readings.

Breakfast at 8 am for 45 minutes, the food was always very good.

More cleaning of rooms followed, days off were varied but if Sunday happened to be the day off, one was expected to attend church in the family chapel, Lord Bristol frowned upon any non attendance.

February and the family departed to London, and spring cleaning was carried out at Ickworth. All to be completed before the family returned for shooting parties, tennis parties etc.

Christmas Day, all servants assembled in the Rotunda where presents of £1 and 10 shillings notes were dispensed and on Boxing Day in the room carols were sung, games played and food consumed.

Lady Bristol was a very elegant lady but Lord Bristol was fond of practical jokes and would, on occasion, dress shabbily and pretend to be the gatekeeper, happily accepting any tips which were offered. This money subsequently went towards a Christmas party for poor orphaned children.

A downside to all the hard work was the fact that hands became very sore and chapped due to long exposure to water and harsh cleaning materials. One **remedy was to bathe hands in the contents of the 'article', a loose reference to the chamber pot kept under the bed.** No records remain to show whether this remedy was either used or if used, whether it was successful in healing the hands.

Angie thanked Daphne for her very entertaining talk and colourful slide show.

The Annual General Meeting followed where Trish Cox was unanimously elected as President for a further term. Sandra Ford our W.I. Advisor for the Group joined us. Trish thanked Wendy for her press reporting and welcomed Jenny as her successor. This is our 89th Annual General Meeting, we have 9 committee members and 28 members. Our activities over the past twelve months have included Women Walk the World, Janet represented us at **Liverpool for National Federation of Women's Institutes Annual General Meeting.** we visited Bucklers Mead W.I. who also came to us, we took part in the Village Show, our outings also included the Banner Parade at Wells, Thatchers Cider, Balding's Racing Stables, Wells Cathedral Carol Service, Christmas Concert at Puriton, and Roadshows, at one of which we hosted and our gallant band of catering ladies supplied the refreshments. We had a stall at the Big Breakfast.

Short Mat Bowls and Scrabble continue and our little tree continues to flourish. We have enjoyed very good Speakers.

(Continued on page 7)

Entering our 90th year we look forward to celebrations in October and continued support from all members. Pat presented the Financial Report.

Returning to our normal business meeting, Bucklers Mead will visit us in July, Woolavington W.I. invited us to the celebration of their 75th birthday party, Quiz at Somerton Sports Hall 13th July 7.30.

Short Mat Bowls Competition: Saturday October 6th - Joan will partner Mary, Anthea with Frances or Janet.

Ashcott W.I. will represent us at the next N.F.W.I. AGM and we voted unanimously to support the resolution going forward. Sandra gave us an in depth discussion as to the future of Wilton Lodge. This has been well reported elsewhere, and although nothing has been decided, it looks inevitable, due to economics, that Wilton Lodge will be sold. Watch this space.

Thanks were given to Sandra for her visit and her organisation of the Banner Parade in Wells.

A date is to be arranged for a Women Walk the World and there will be a **meeting at Pat's house 11th June 7 p.m. when an advisor will attend to give advice** on how to avoid scamming on computers.

The competition for an item of kitchenalia was won by Angie with a melon ball spoon, second Janet with butter pats, and Pat third with a can opener, given to her by the Street grocer, Mr Horne.

The Flower of the Month was won by Sally with dianthus.

Next month: - Speaker is Dr Francis Burroughs - **“A Victorian Garden”**

The competition topic will be **“Anything Victorian”**

Goodbye to all my readers.

Compton Dundon Golf Society

The normal CDGS 'scribe' having decided that eating and drinking with the French twinning group was more important than playing golf (difficult to believe), his deputy has taken up the challenge. Having been frustrated by poor weather in April, leading to a postponed match at Filton Golf Club, 14 souls assembled at Weymouth, in beautiful weather, to enjoy another day of fun and frivolity (and that was the golf!). Perhaps aware that there is no view of the sea from the course, some members had already taken in a sea view having found themselves "slightly disorientated" on their way to the course. A very welcome first on the catering front with a choice of bacon or sausage rolls with our coffee: Yum, Yum! The Society is keen to encourage gender equality, but the sight of Dave Wisniewski **using the door to the ladies' loo prior to tee-off** was more than we expected. Richard Conway was first away and set the tone for the rest with a fantastic drive; all of 20 yards before hitting a pole.

On our return to the Clubhouse stories **abounded of 'alarms and excursions'** out on the course. Despite being warned, by local players, of the dangers of squirrel grand larceny Robin Edwards and Royston Maddiford both had furry thieves in their bags, Royston losing his snack to one determined individual. The course attempted to confuse everyone by hiding the 9th tee from several teams

amid several other tees and greens: no one was lost permanently however. Having let a group of locals play through, CDGS players were astounded when one of **the locals drove from the yellow tee then hit the ladies' red tee marker smashing it into pieces.**

Determined to make up for most of his round being rather pathetic Peter Robertson drove within a foot of the pin at the 15th (one of the designated Nearest the Pin Holes) and downed it in two. Given that he had a 2 stroke

(Continued on page 9)

handicap advantage this meant that he holed out in ZERO and scored 5 points!! Is this allowed by the rules of golf? Who knows and Who Cares?

Nina Dillamore attempted to finish well by bouncing her ball off the top of a tree on the 18th; to no avail unfortunately. Rob Litston showed that his maths **was almost as bad as his golfing prowess, but his failing was spotted by the club's** own KPMG accountant Richard Conway who then amazed everyone with a feat of origami to select a third card to be added to the couple who played together.

Results: -

Best Team: Rob Litston, Royston Maddiford, Robin Edwards.

Best Individual: Andy Curtis.

Nearest the Pin (5th): Erica Klim, (15th) Did you hear of the tremendous play by Peter Robertson?

Mention must be made of the terrific braised steak enjoyed afterwards – it made all the rest worthwhile. Yum, Yum, Yum!

Future Dates:

Tue 12th June: Clevedon Golf Club

Match report: - Sunday 6th May

Compton Dundon 98 for 5 (30 Over's) lost to Queen Camel 99 for 6 (22 overs)

Highlight of the match was an excellent catch by Byron Ford at Long On.

Henry Shaw making his debut as a journeyman took a hat trick in the 3rd over.

Top scorer was Toby Weech with 36 not out; closely followed by Pete Lindsey with 33.

Match report: - Sunday 13th May at Broadwindsor

Broadwindsor 224 for 7 beat Compton Dundon 196 for 6. Ben Chislett top scored with 77 runs. Steve Lawrence was the best of the bowlers with 2 wickets for 28 runs.

Match report: - Sunday 20th May at home

Lovely Day at Hayes Road, saw Compton Dundon take on near neighbours Long Sutton in the Mid Wessex League. Compton skipper Toby Weech lost another toss so Compton took to the field in beautiful conditions, sadly due to unforeseen circumstances there were only 9 players, consequently Long Sutton

(Continued on page 13)

openers made hay scoring 145 of the first 10 overs, as players drifted in after 3 p.m. Compton took control of the situation with Long Sutton only scoring another 81 and losing 10 wickets in the next 26 overs. Ollie Phillips (3-8) Dave "Dad" Chislett (2-39) and Steve Laurence (2-32) were the pick of the bowlers.

At tea Dale, Stacey, Amelia and Matilda from our sponsors The Castlebrook Inn were thanked for their sponsorship and shown our new branded stumps. After losing two quick wickets Ben Chislett(82) and Ollie Phillips (69) put us in real contention. A swashbuckling 21 not out from Greg Jones got us within 4 of our believed target. However due a still unexplained administrative error we actually required 5 more so despite a valiant effort we fell 8 short of the target.

Compton Dundon will be competing in the Mid Wessex League on Sundays throughout the summer. (The bar will be open at home games).

Next match is away at Butleigh on Sunday 3rd June

Junior Coaching starts on Friday 4th May at 6-00 p.m. (“Star Wars Day”) and continues on a Friday evenings until July: all welcome at £1 a week.

Filling the gaps

We all know the old adage, one volunteer is worth 10 pressed (wo)men. As we celebrate Volunteer Week 2018 (1-7 June) I want to give thanks for and to the thousands of volunteers across Somerset who love and serve our communities.

Former US first lady Rosalynn Carter once said that a nation without volunteers is a nation without a soul. As we experience continued cuts to our local services, **it is volunteers who are ‘filling the gaps’**. Offering anything from volunteer drivers ensuring isolated older people can get to the shops, to church groups providing space for young families to meet, to share stories and support each other.

Yet they are not only a lifeline for the more vulnerable groups, all our lives are so much richer thanks to our volunteers.

Our churches, and the ministry of each, rely heavily on the generosity of our volunteers. Whether working with children and young people, helping serve tea and coffee after a service, delivering a reading or leading prayers, or being part of the flower or cleaning rota. Your vicar may be a volunteer too – as more people are called to serve as self-supporting ministers. Volunteering is at the heart of Christian service and discipleship. **It’s about the stewardship of our time and talents.**

However we are hearing that nationally, volunteering is in decline, and so it may take a rethink in our approach to release those talents, those gifts. There are many hugely talented people within our churches and our communities but sometimes they may feel reticent about putting themselves forward. People might be too humble, or not confident in their own abilities; feel they are not the **right fit or not ‘churchy’ enough to put their hand up**. **How much more powerful for all of us if someone we know says to us “you’d be great for that, you have a real gift for it.”** What an encouragement! **By having those conversations we recognise and release those God-given gifts.**

And let’s be creative. The accountant worshipping in your congregation every Sunday who you have earmarked for the Treasurer role next time around might actually have a passion for creative prayer. Not everyone wants to do their day job in their spare time!

Imagine how our churches might be transformed if we create the roles around the people we have and their gifts, rather than the other way around!

So thank you for your gift of time and talent and be sure to encourage those around you in theirs!
